

Google Setup

KAON Set-Top Box

The following screens describe the remote key sequences required to setup the KSTB2020.

1. When powered up and fully booted, the box will start on this screen.

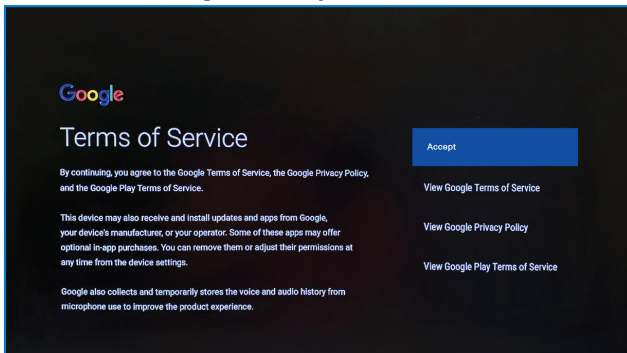

If you wish to login with your Google ID, you may do so at this point. If not, select **Skip** and press **OK** to continue.

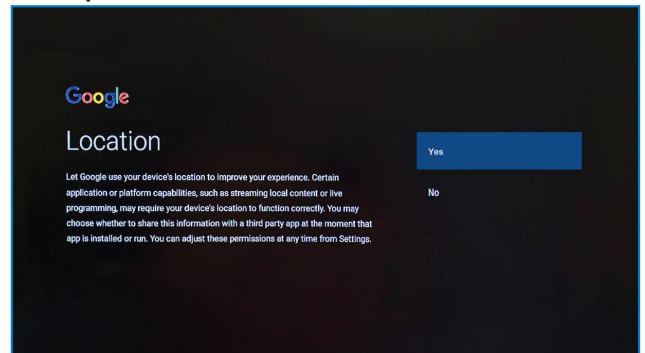

2. Select **Skip** and press **OK** to continue. The following screen will be displayed.

3. Once logged in, the following Terms of Service screen will be displayed. Select **Accept** and press **OK** to continue.

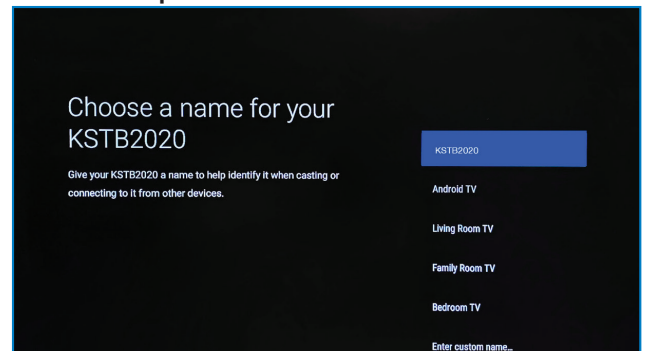

4. Select **Yes** on the Location screen and press **OK** to continue.

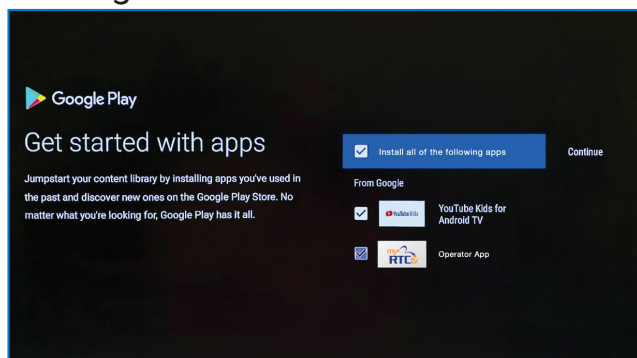

5. On the Help Improve screen, select **Yes** and press **OK** to continue.

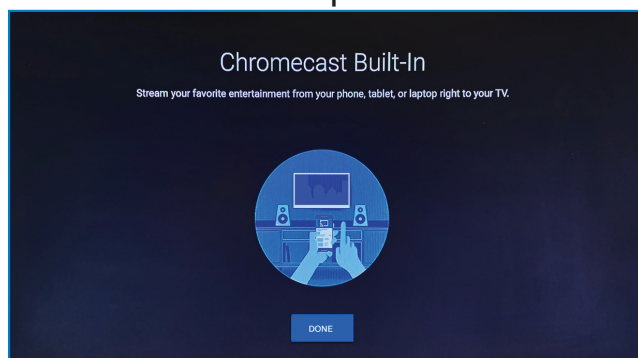

6. On the Choose a Name screen, select the appropriate name for the unit and press **OK** to continue.

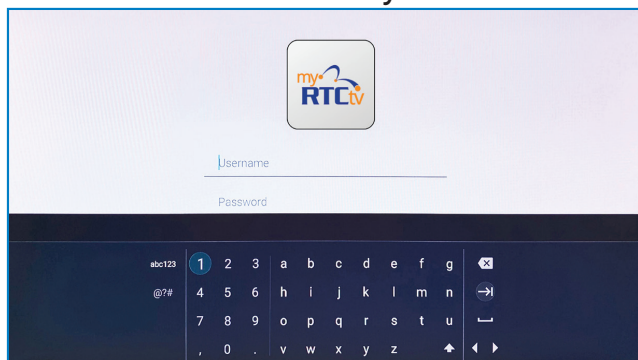

7. The following Get Started screen will display the login where the **myRTCtv** app will be located. This app cannot be unselected. Select **Continue** and press **OK** to get to the next screen.

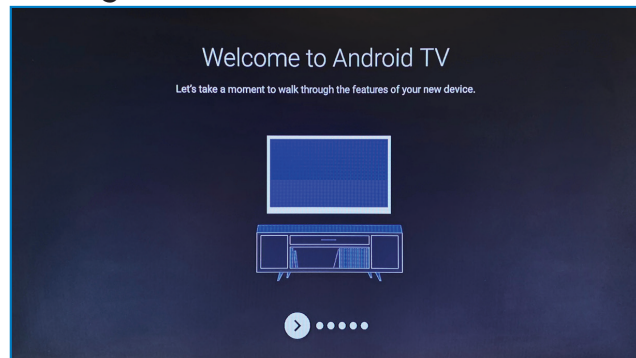

9. Select **Done** and press **OK** to continue.

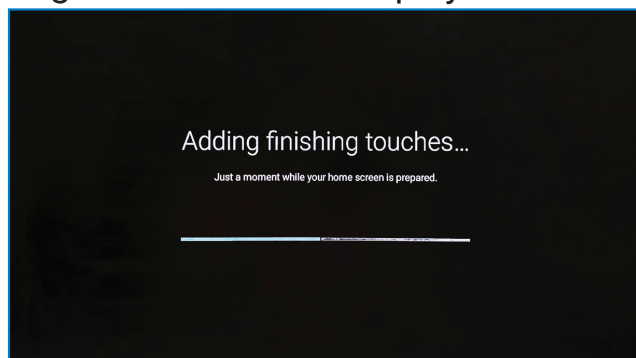

11. An example login screen is shown. This will be unique for each subscriber. Credentials may be entered using the remote or via a USB keyboard.

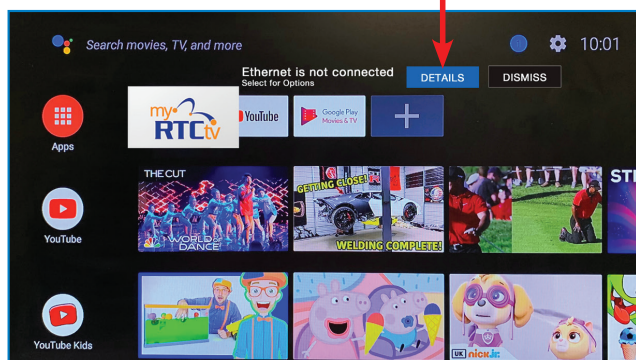

8. On the Welcome screen, arrow right 5x to get to the next screen.

10. When it is finished processing, the Login screen will be displayed.

12. Once logged in, the following screen will be displayed. Select "DETAILS" to be prompted for Wi-Fi network section and sign in. Alternately an Ethernet cable may be connected at this time.
